

For Ryan (the Last Goodbye)

by Bona Rae Villarta (April 14, 2011)

Background: My blockmate, Ryan Lapus, graduated from college at the same day that he migrated with his family to Los Angeles.

I attended your classmates' graduation

But you weren't there

Why? Because you were busy packing up your bags?

Or you were sure that you skipped us for your family?

Either way, I have had a lot of moments with you

Both good and bad

Good luck to your new life in L.A.

And be good to us for the years to come.
