

Going Home

by Bona Rae Villarta (April 27, 2011)

The sun has set
It's time to go
To the place where we belong
And that is home.

While this day is tiring,
It brings a lot of hard work,
Perseverance and dedication
To bring out the best in us.

However which way
We're going to,
Surely work or school
Is our second home.

But we are constantly changing
And our assignments change
From time to time
As we go on,
We yearn for home.
