

# Commercial Break

by Bona Rae Villarta (May 29, 2011)

Our favorite shows get a break  
When people have watched it for a long while  
Or when the network wants to  
Since they need to earn mney from their shows  
They do this for both prestige and survival.

Some shows win in this game  
Others have good shows but fail in the race  
But through freedom of choice, one has his or her favorites.

In commercials, many personalities get their breaks.  
Some even end up on the small or big screens  
Even some used these to enhance their reputation.

But they also have their fair share of memorable ones  
Some were discovered through memorable performances in them  
Others improved their being famous through their performances in them  
Still others made their product or service famous.

It is indeed a powerful piece of information that will stay forevermore.
